Topic "logged in user": Only one user is allowed to be logged in

For downloading and installing an EuroFib update, only you are allowed to be logged in in EuroFib. In the middle area (right) you get an overview of all users logged in the system at the moment:

angemeldete Benutzer							
Session Workstation user client							
S8	WIN8-NOLL	SUPERVISOR (1)	1 / 15				

If you see more than one entry here, please order the closure of all EuroFib systems with the other users shown here. You can update by using the "Refresh" button at any time.

angemeldete Benutzer								
Session Workstation user client								
58 WIN8-NOLL SUPERVISOR (1) 1								
	Refresh overview							

angemeldete Benutzer						
Session Workstation Benutzer						
77 WIN8-NOLL		SUPERVISOR (1)				
		EMail (Benutzer)				
		EMail (Alle)				

With the right button your are able to send an e-mail to one or all user. (menu item is inactive, if it's your own user or if there is no e-mail address under "My settings" for this user)

Page 5 from 10

Topic "Update": The following updates are available

At the bottom, you see the available EuroFib update. The one signed with a "green checkmark" is downloaded and installed.

version •

Program version of the update (incl. date/time) Additional important information

description

	Update					
	Version Beschreibung					
-	V7.2.1548 (04.12.2015 / 14:37:37) update available (not supported: Windows Server 2003, SQL-Server 2000)
